These terms of use (the "Terms of Use") contain the terms and conditions upon which you (also referred to as "User") may access the valuable information and services available through this Site.

BEFORE ACCESSING THIS SITE, PLEASE READ THE TERMS OF USE CAREFULLY AS THEY GOVERN YOUR USE OF, AND ANY MATERIAL AVAILABLE THROUGH, THIS SITE.

You represent that you are legally able to accept these Terms of Use, and affirm that you are of legal age to form a binding contract. By accessing, viewing, or using the materials or services available on or through this Site, you indicate that you understand and intend the Terms of Use to be the legal equivalent of a signed written contract and that you accept and are legally bound by such Terms of Use.

Talen Energy reserves the right to change the Terms of Use under which this Site is offered to you. Any changes will appear in the Terms of Use at this space on this Site. 3. **Intellectual Property Rights.** We or our licensors or affiliates own the intellectual property rights in the content and material displayed on this Site. All material contained on or available through this Site, unless otherwise expressly indicated, is protected by law including, but not limited to, United States patent, copyright, trademark, trade secret, and other intellectual property laws, as well as other state, national, and international laws and regulations. Except as expressly provided in the Terms of Use, Talen Energy does not grant any express or implied right(s) to you (or any other user) under any patent(s), copyright(s), trademark(s), trade secret or other intellectual property law. Accordingly, unauthorized use of any material contained on this Site may violate copyright laws, trademark laws, trade secret laws, the laws of privacy and publicity, and other regulations and statutes. Talen Energy actively and aggressively enforces its intellectual property rights to the fullest extent of the law.

The contents of and all materials distributed in conjunction with the Site are Copyright © Talen Energy Corporation and/or its affiliates or licensors. All rights reserved. Talen Energy also owns a copyright in the Site as a collective work and/or compilation, and in the selection, coordination, arrangement, and enhancement of this Site's content.

Talen Energy; Talen; the Talen Energy Logo; certain parts of the preceding trademarks and names; and all other names, logos and icons identifying Talen Energy's products and services are proprietary marks of Talen Energy and its affiliates, and any use in trade of such marks without the express written permission of Talen Energy is strictly prohibited. Other product and company names mentioned on this Site may be the marks of their respective owners.

If you submit or post any materials or content to this Site, you grant us a royalty free, perpetual, irrevocable, transferrable, assignable, sub-licensable worldwide license to use such materials and content, including alterations thereof, for our business purposes, in any form, in any media, and via any technology we choose, whether it exists now or is created in the future. You represent that any materials and content posted or otherwise submitted by you to this Site is original to you and that you have the right to grant us these rights.

Please do not send us your ideas for our business. We are always thinking and creating, and we may have similar ideas of our own. To avoid any disputes between us relating to ideas that you have submitted to us you agree that, if you send us your ideas, you are giving us the right to use them, and you waive and release us from claims that we have used your ideas without your permission.

4. Responsibility for Public Postings and Content. Responsibility for what is posted in public areas of our website lies with each user - you alone are responsible for the material you post or otherwise make available in public areas of our Site. You alone are responsible for assessing the credibility of other user postings. We do not control the material that you or others may post or otherwise make available in such areas, and you understand that we have no obligation to monitor any such material or to edit or delete it. However, we reserve the right do so. We are not a publisher of user posts, and we are not responsible for their accuracy or legality.

You also understand and agree that any action or inaction by us, our affiliates, or any of our respective directors, officers, stockholders, employees, consultants, agents or representatives (collectively, "Our Representatives") to prevent, restrict, redress or regulate content, or to implement other enforcement measures against any content, conduct or potential Terms of Use violation is undertaken voluntarily and in good faith, and you expressly agree that neither we nor any of Our Representatives shall be liable to you or anyone else for any action or inaction to prevent, restrict, redress or regulate content, or to implement other enforcement measures against any content, conduct or potential violation of these Terms of Use.

Although Our Representatives may moderate content, conduct and Terms of Use compliance on our website at our discretion, Our Representatives have no authority to make binding commitments, promises or representations to anyone that they or anyone else on our behalf will “take care” of any alleged problem or complaint, or that they or anyone else on our behalf will otherwise stop, cure or prevent any problem, content, conduct or purported Terms of Use violation from occurring or recurring. Accordingly, you further agree that any representation (written or verbal) by any of Our Representatives (or by anyone else acting on our behalf or by anyone purportedly acting on our behalf) that we (including but not limited to any of Our Representatives, anyone else acting on our behalf, or anyone purportedly acting on our behalf) would or would not prevent, restrict, redress or regulate content (including, without limitation, screen, block, moderate, review, remove, terminate, delete, edit or otherwise stop, cure or exclude any content), or to implement other enforcement measures against any content, conduct or potential or purported Terms of Use violation is superseded by this provision and is nonbinding and unenforceable. Specifically, you agree that we, Our Representatives and anyone else authorized to act on our behalf shall in no circumstance be liable as a result of any representation that we, Our Representatives or anyone else acting on our behalf would or would not restrict or redress any content, conduct or potential or purported Terms of Use violation. This paragraph may not be modified, waived or released except by a written agreement, dated and signed by our President and dated and signed by the individual or entity to which the modification, waiver or release is granted.

5. Site Registration and Password Policy. Use of certain portions of this Site requires both log-in information and a password. You agree to provide true, accurate, current and complete information about yourself as prompted by the applicable registration or log-in form, and you are responsible for keeping such information up-to-date (this includes your contact information, so that we can reliably contact you). The information you submit must describe you (you may not impersonate another person or entity), and you may not sell, share or otherwise transfer your account information.

The log-in information is your e-mail address (“User I.D.”). During the registration process for this Site, you must choose a unique sign-on password (“Password”). Each User I.D. and corresponding Password can only be used by one individual or entity. All Passwords must be kept secret. By agreeing to these Terms and Conditions, you agree to be solely responsible for the confidentiality and use of your Password, and agree to be responsible for all activity occurring when this Site is accessed through your account, whether authorized by you or not. We are not liable for any loss or damage arising from your failure to protect your Password or account information.

As a condition of use, you must immediately notify Talen Energy if you become aware of any loss or theft of your Password or any unauthorized use of your Password. Talen Energy reserves the right to reset any Passwords that may have been compromised.

6. Electronic Communication. The communications between you and Talen Energy via this Site use electronic means, whether you visit this Site or send us an e-mail, or whether we post notices on this Site or communicate with you via e-mail. For contractual

purposes, you consent to receive communications from us in an electronic form, and you agree that all terms and conditions, agreements, notices, disclosures and other communications that we provide to you electronically satisfy any legal requirement that such communications would satisfy if it were in writing. The foregoing does not affect your non-waivable rights.

We have a policy of terminating the Site usage privileges of users who are repeat infringers of intellectual property rights.

BECAUSE SOME STATES/JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF CERTAIN CATEGORIES OF DAMAGES, THE ABOVE LIMITATIONS MAY NOT APPLY TO YOU. IN SUCH STATES, OUR LIABILITY AND THE LIABILITY OF OUR AFFILIATES, AND OUR AND THEIR DIRECTORS, OFFICERS, EMPLOYEES, AGENTS OR CONTENT OR SERVICE PROVIDERS, IS LIMITED TO THE FULLEST EXTENT PERMITTED BY SUCH STATE LAW.

13. **Indemnity.** You agree to defend, indemnify and hold harmless Talen Energy and its affiliates, and all of their respective employees, agents, directors, officers, employees, proprietors, representatives, shareholders, servants, attorneys, predecessors, successors and assigns, from and against any and all claims, proceedings, damages, injuries,

18. **Entire Agreement.** These Terms of Use and Talen Energy's Privacy Notice, which is incorporated herein by reference, represent the entire agreement between you and Talen Energy with respect to use of and material available on or through this Site and supersede all prior or contemporaneous communications and proposals, whether electronic, oral or written between you and Talen Energy with respect to this Site.

19. **Waiver.** Failure to insist on strict performance of any of these Terms of Use will not operate as a waiver of any subsequent default or failure of performance.

20. **Admissibility.** A printed version of the Terms of Use and of any related notice given in electronic form shall be admissible in judicial or administrative proceedings based upon or relating to the Terms of Use to the same extent and subject to the same conditions as other business documents and records originally generated and maintained in printed form.

21. **Severability.** If any part of the Terms of Use is determined to be invalid or unenforceable pursuant to applicable law including, but not limited to, the warranty disclaimers and liability limitations set forth above, then the invalid or unenforceable provision will be deemed superseded by a valid, enforceable provision that most closely matches the intent of the original provision and the remainder of these Terms and Conditions shall continue in effect.
